

SERVICES

● HELPING YOUR BUSINESS BE MORE PROFITABLE

For the past 30 years, PATH has been providing a low-cost, high-quality outsource solution that satisfies the production needs of the company.

● A BUSINESS PARTNER

PATH wants your business to be extremely successful. We can become an integral part of your manufacturing company's operations. Let us enable you to:

- Increase your assembly line productivity without any additional staff
- Obtain more space without building or renting
- Easily solve peak production problems
- Maximize your profit margin on production runs
- Acquire fast, economical service with a rapid turnaround time on inquiries.

YOUR SATISFACTION IS GUARANTEED!

You receive a 100% satisfaction guarantee that all workmanship will meet your specifications.

To ensure this...

- all assigned tasks must be completed by each individual to meet your company specifications.
- a PATH staff instructor checks the completed job to verify that it is correct.
- before any shipment, there are additional random checks of the completed work for quality assurance.

Our workers efficiently complete a broad range of jobs at a lower cost to you.

RANGE OF WORK

● TYPES OF WORK PERFORMED

Assembly

● THE PROCESS

After you contact us, our staff will schedule a meeting with a representative from your company. Details of the job and samples can then be brought to our facility for a time study to be completed. All Jobs are "task analyzed" in order to develop the most cost effective method of completing the job. Bid prices per piece or per contract are then offered.

Once a contract is negotiated, work is processed to meet your production deadlines. Completed work can be shipped to you or to another prearranged destination.

PATH's labor pool is extensive and can handle a wide-range of very large jobs.
